

Transforming School Operations

All your school operations. One platform.

Payments, operations, communication, and more, all in one place

Our Presence & Reach

- **100,000+** active students
- **10 million+** transactions processed
- **15 million+** products sold
- Serving schools and communities **across 8+ countries**
- Designed for **high-volume** reliability and **global scalability**
- Fully adaptable with **language & regional localisation**

All your school operations. One platform.

Payments & Financials

Manage school fees, cashless payments, and all services, including on-campus cafeteria payments and online preorders.

Commerce & Marketplace

A dedicated in-app store, third-party marketplace, cafeteria pre-orders, and convenient meal plans for students.

Management & Operations

Track attendance, manage pickup requests, enable parental monitoring, and schedule bus services effectively.

Communication & Engagement

Keep parents informed with instant updates, newsletters, and access to the resource hub

Payments & Financials

Streamline school payments with full visibility and control

Fee Payments

Collect school fees and payments seamlessly through app or on campus, with full visibility on balances and transactions.

Cashless Payments

Enable fast, secure on-campus payments via cards, QR, or wearables, no cash handling required.

Payment Management

Track all collections, balances, and reports in one centralized dashboard.

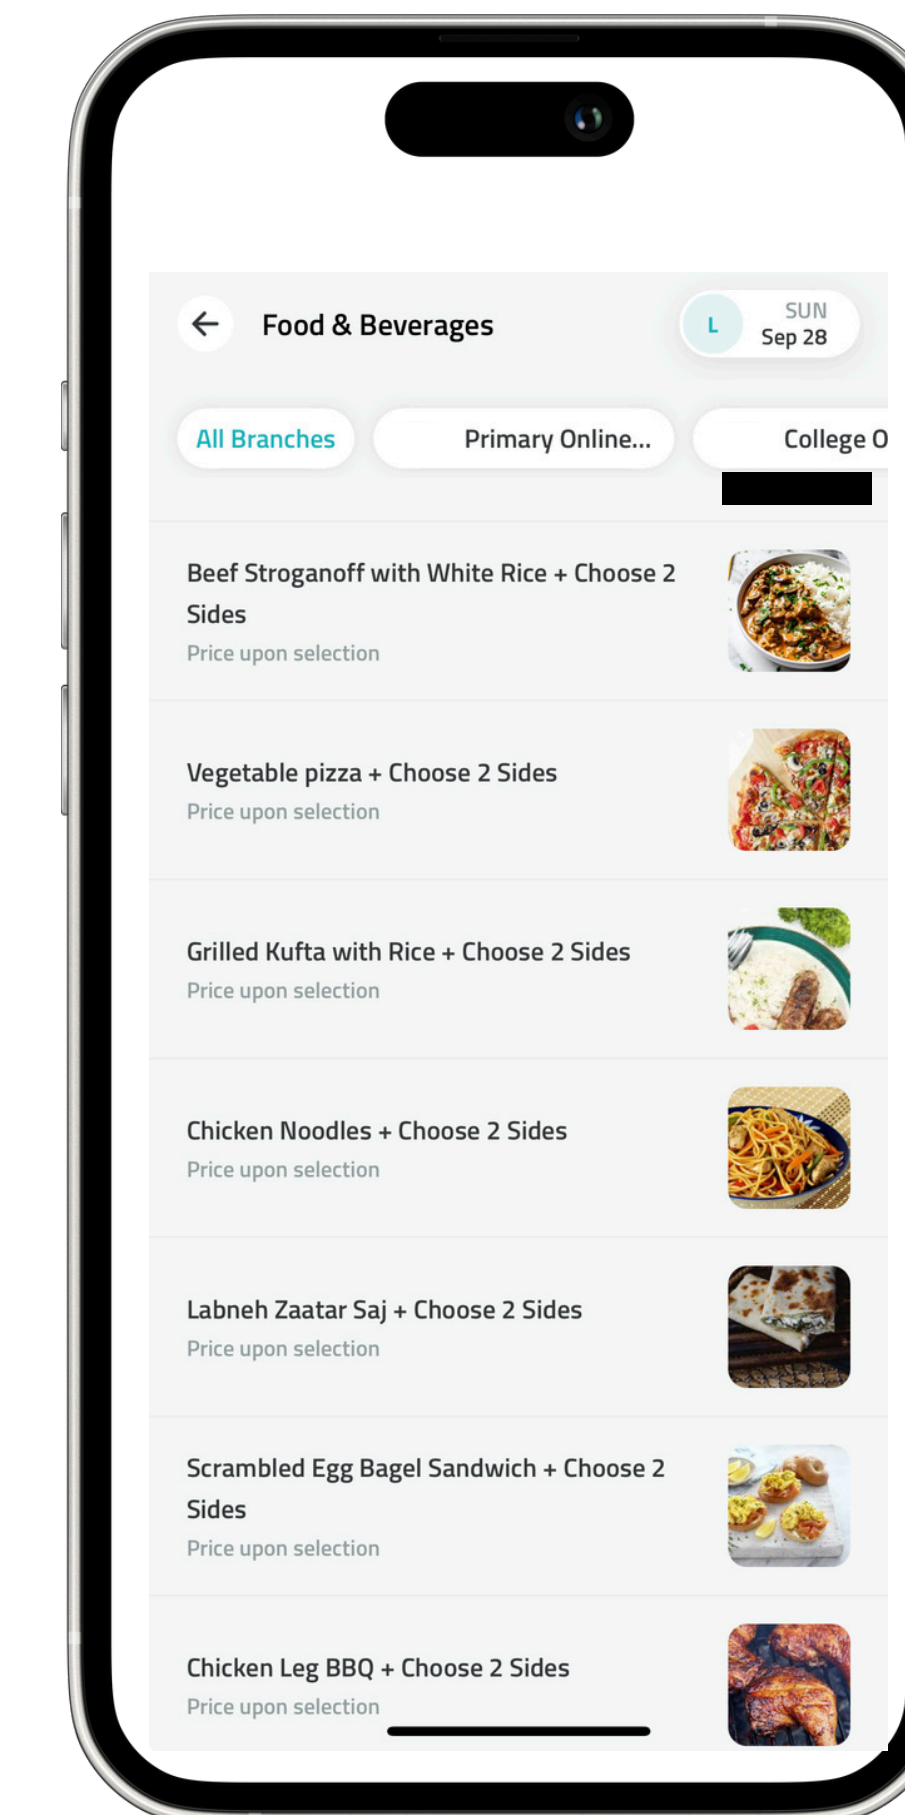

Cafeteria Experience

Fast, cash-free dining with pre-ordering and reduced queues

Students enjoy faster, hassle-free transactions using wristbands, QR code, NFC/RFID cards or student IDs, ensuring a smooth experience at the cafeteria with no need for cash.

Manage on-campus purchases and meal plans seamlessly through the in-app store.

Commerce & Marketplace

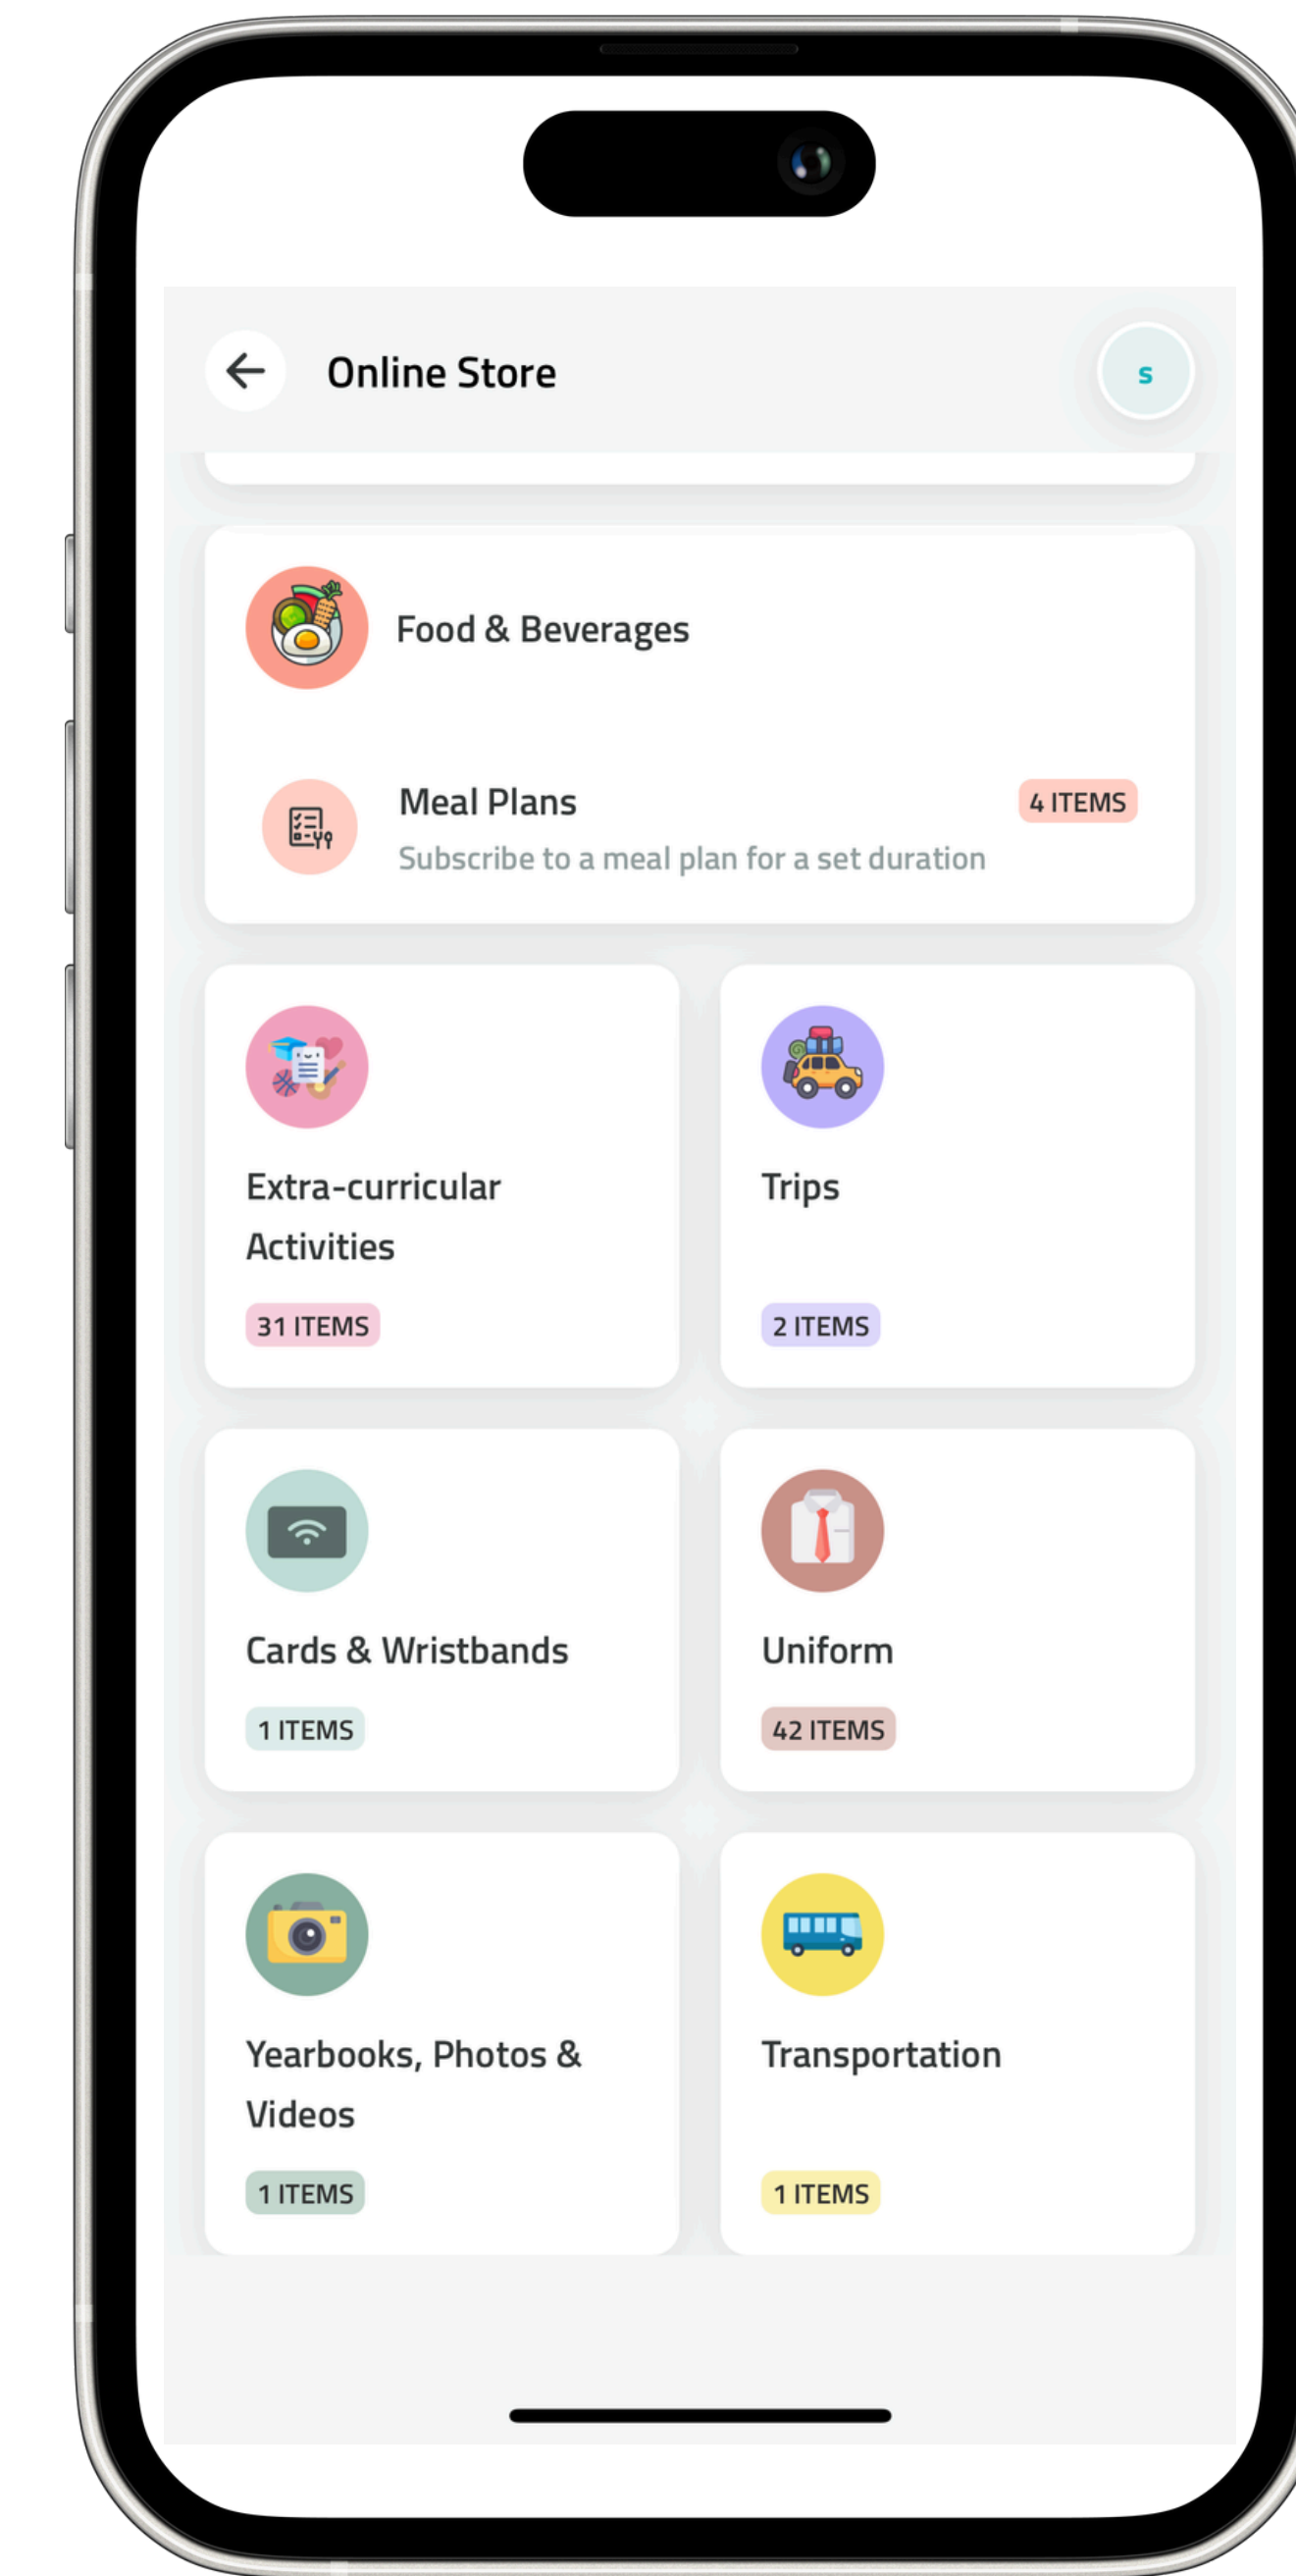

Convenience for parents. New revenue for schools.

School Marketplace

With Spare in-app online store, parents can conveniently purchase uniforms, books, and other essentials in one place, providing a seamless experience while simplifying management and reducing administrative effort.

3rd Party Vendor Marketplace

Spare enables schools to connect with trusted third-party vendors, allowing parents to access a wider range of products and services directly through the app. All transactions are centralized within one system, with flexible delivery options such as on-campus pickup or home delivery.

Management & Operations

Streamline daily school operations with full visibility and control

Attendance Tracking

Real-time attendance with full visibility and seamless SIS integration

Bus Services

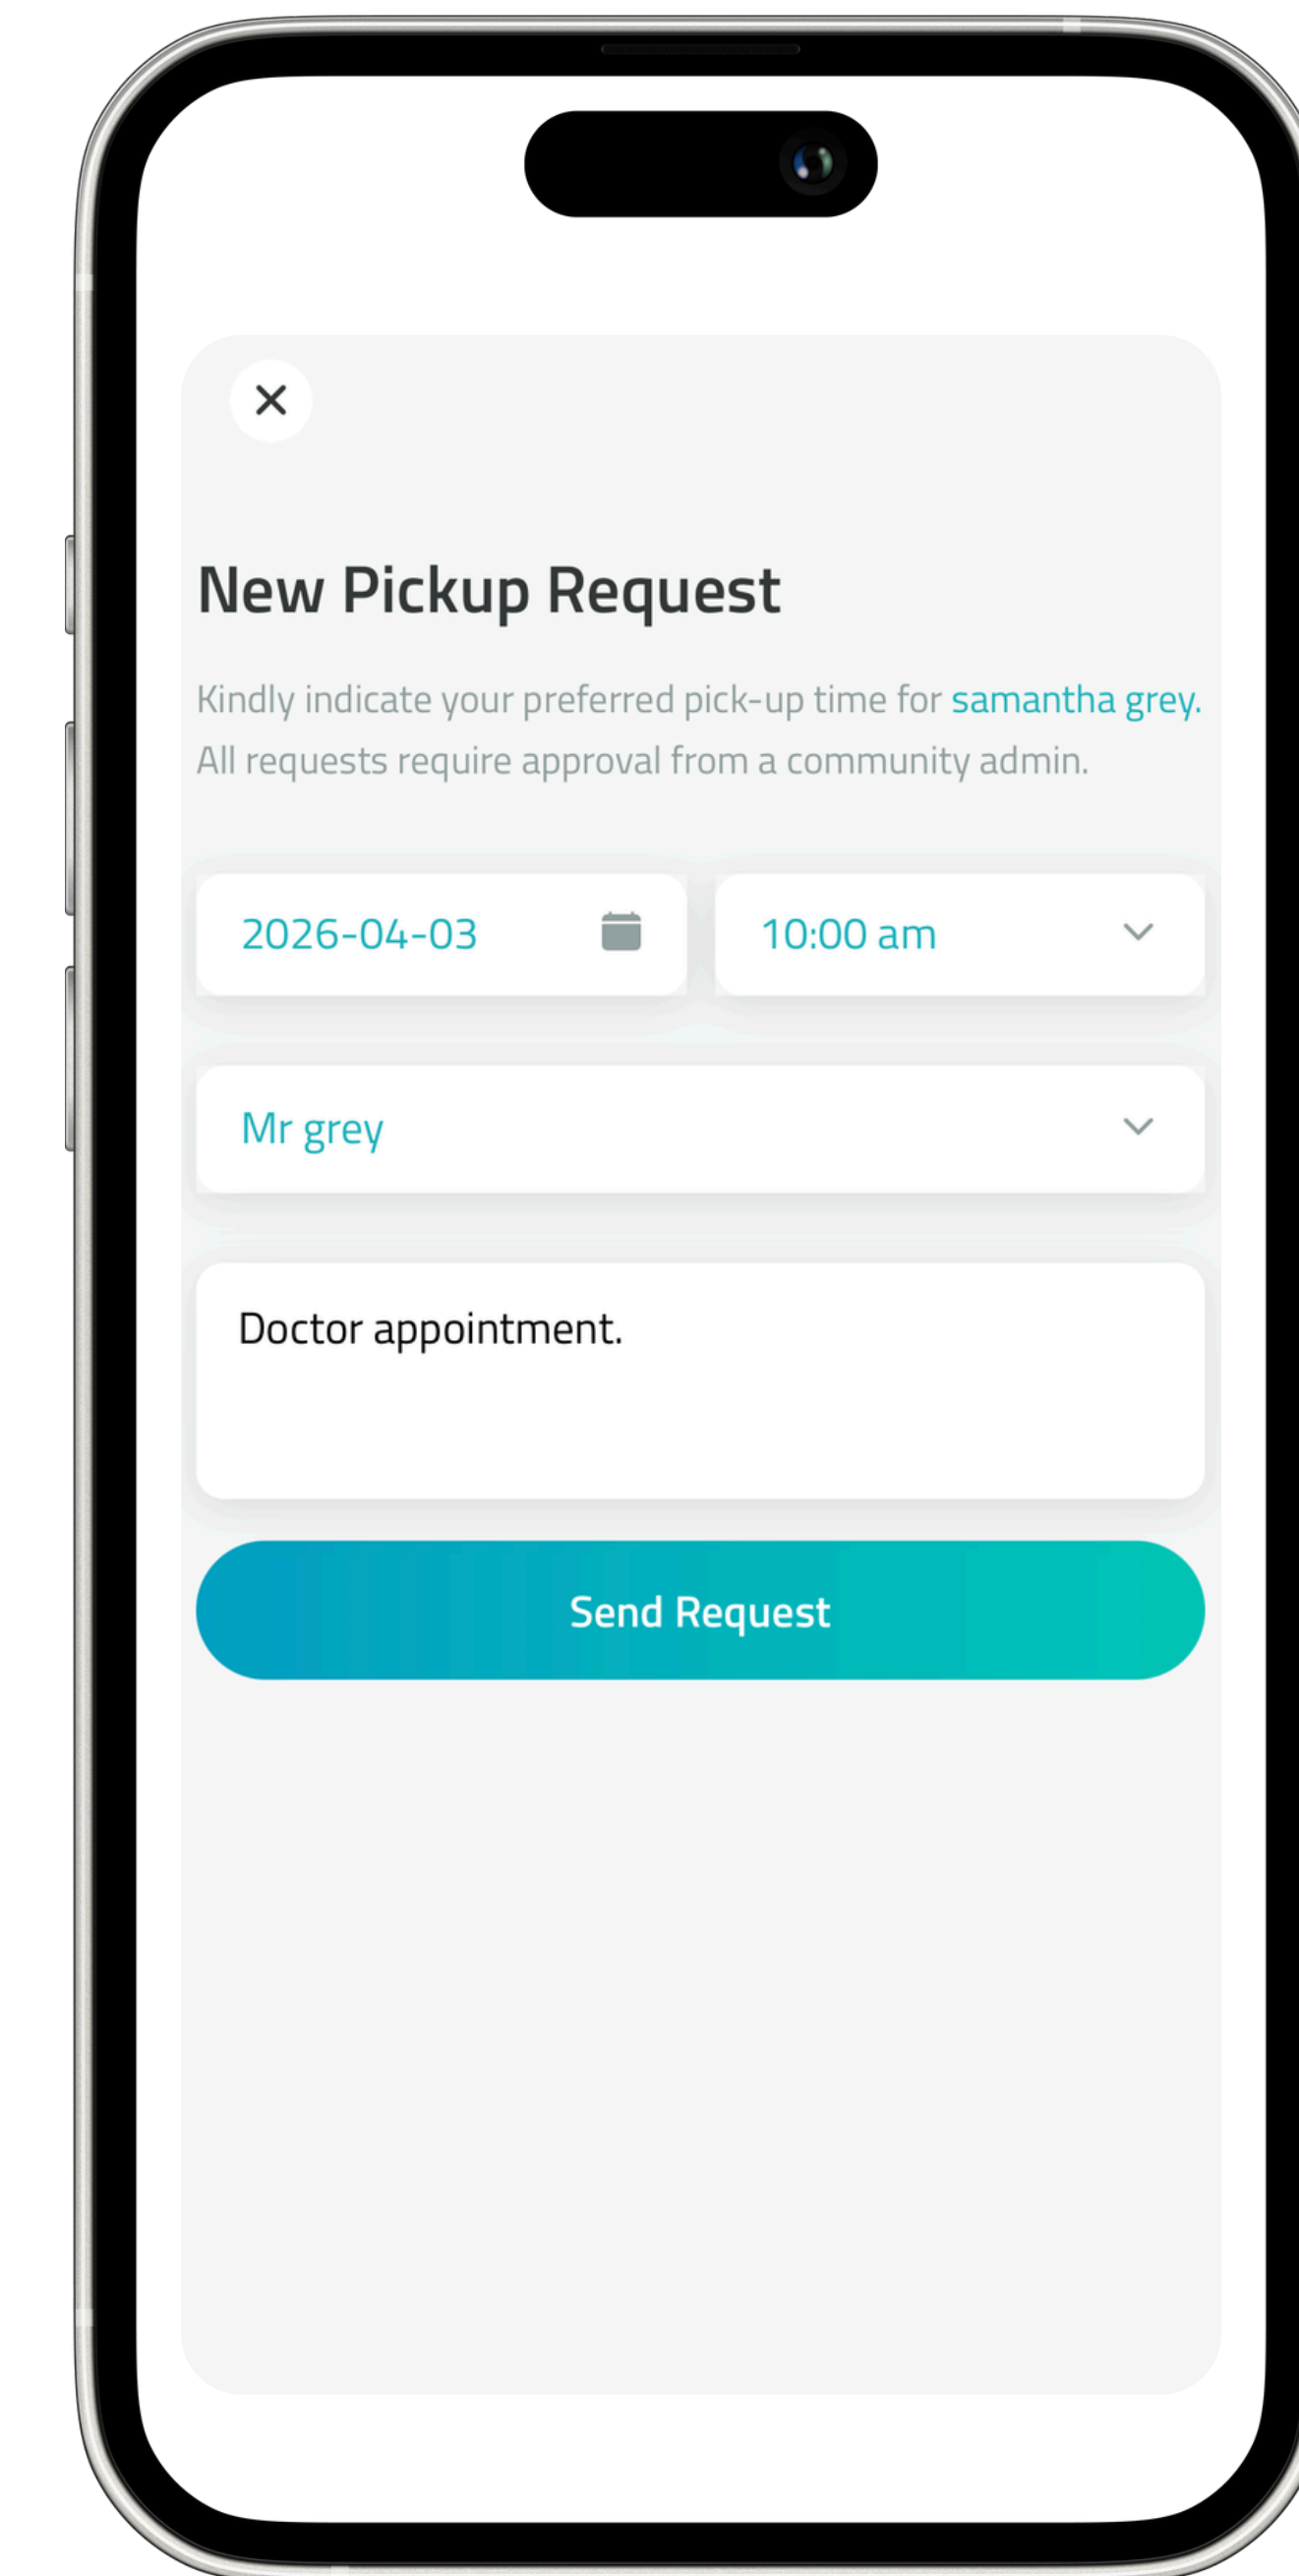

Efficient transport management and scheduling

Pickup Requests

Safe, controlled student pickup with parent requests through the app

Parental Monitoring

Full control for parents. Purchase control, restrictions, alerts, and monitoring

Communication & Engagement

Keep parents informed with instant updates, newsletters, and access to the resource hub

Newsletters

Schools can easily share updates, announcements, and important information through structured newsletters, ensuring consistent and clear communication with parents across all grades and groups with instant notifications.

Resource Hub

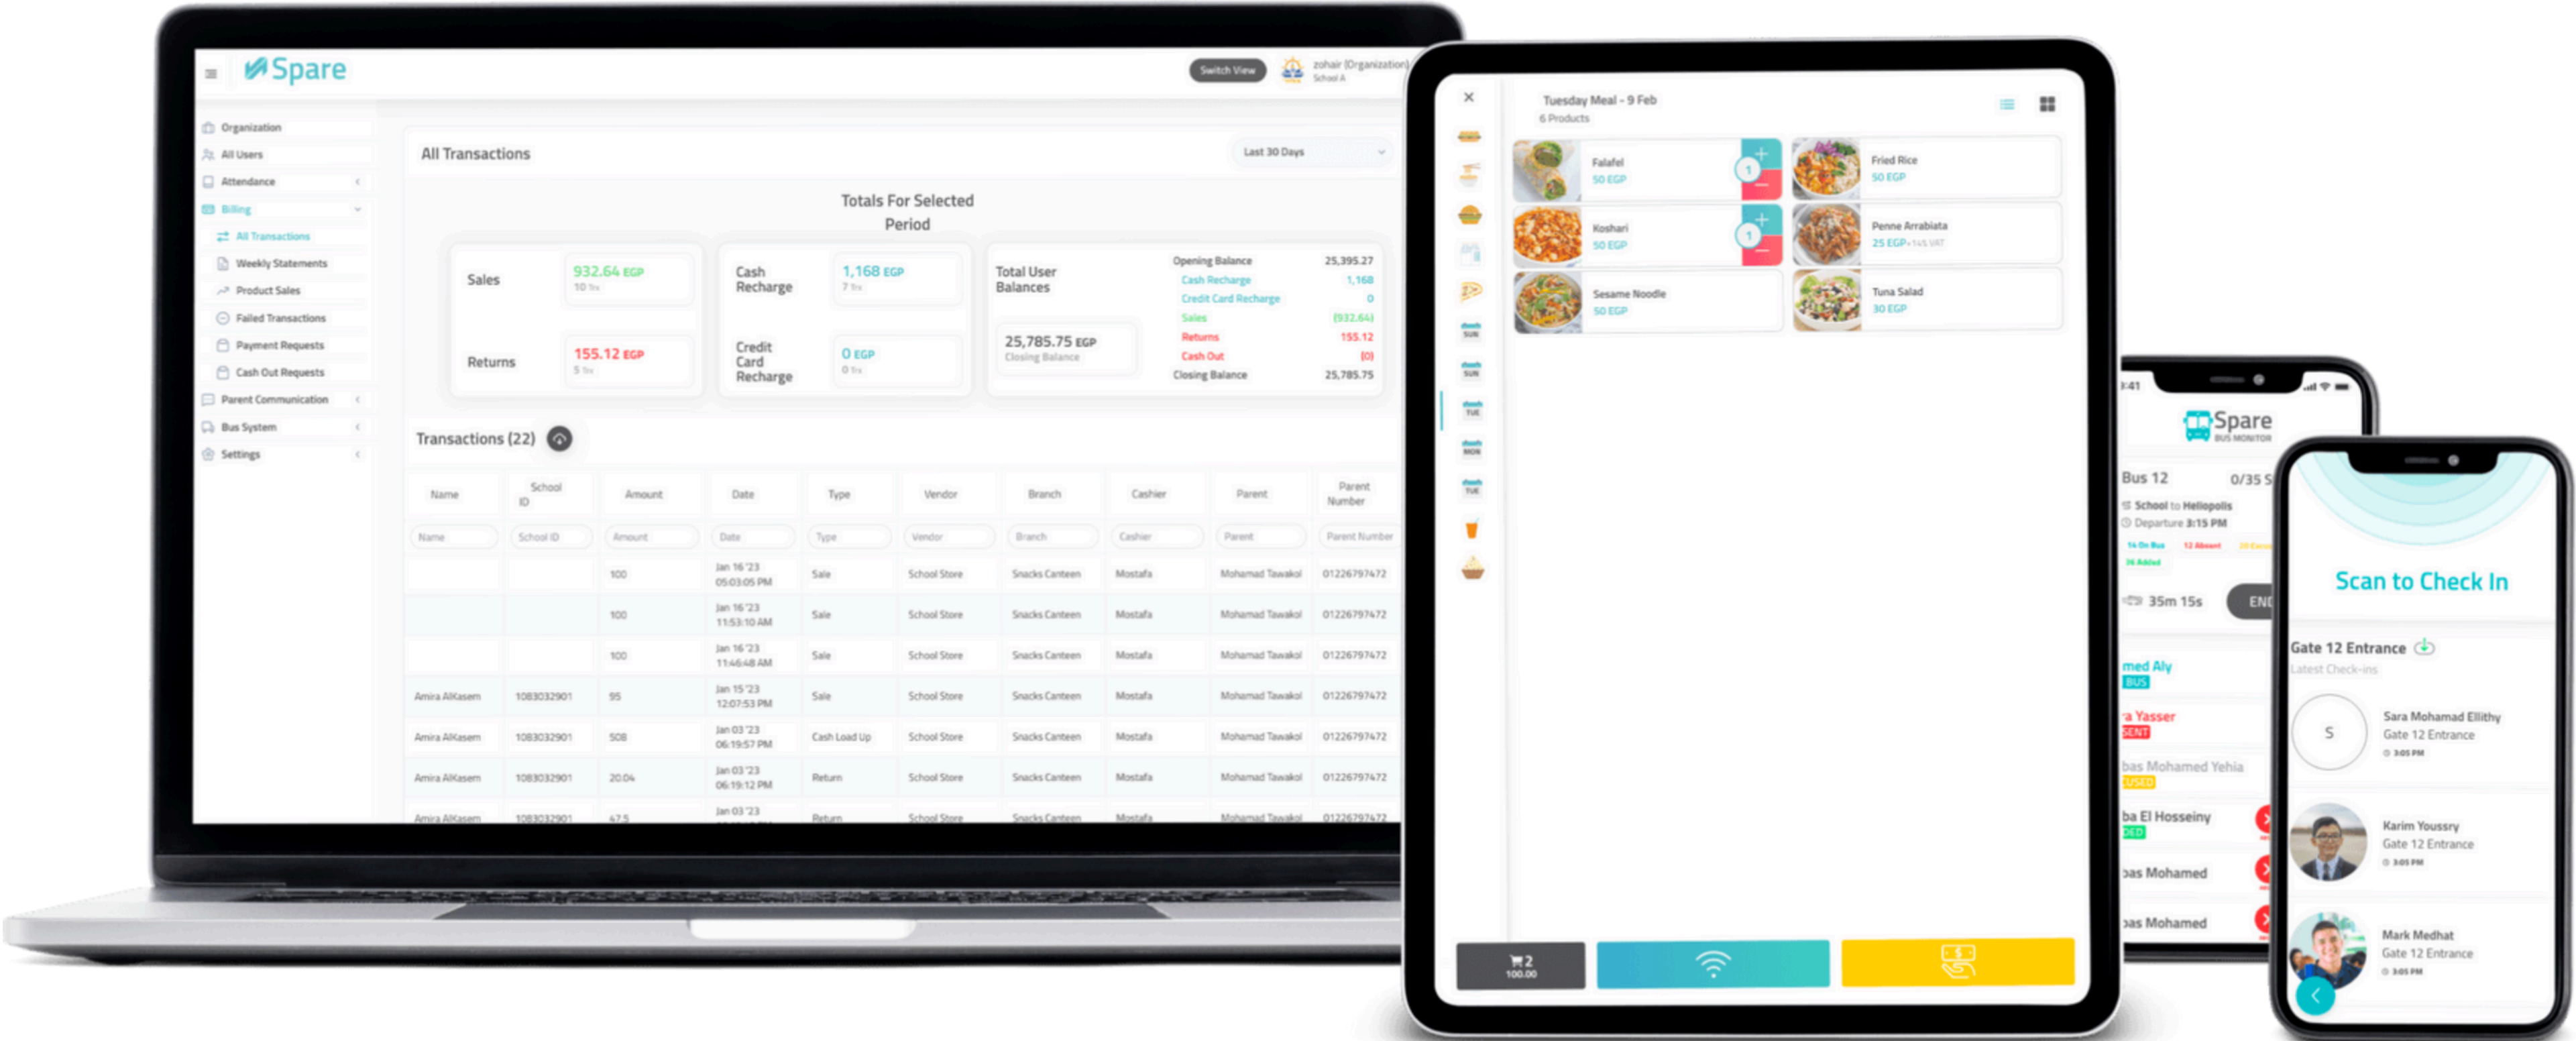

A centralized resource hub allows schools to share videos, PDFs, calendars, and other materials in one place, making it easy for parents to access important content anytime.

Targeted Communication

Schools can precisely control who receives each message by targeting specific students, grades, classes, or groups, ensuring the right information reaches the right audience at the right time.

Product Experience

Simple for Parents. Seamless for Students.

Recharge Your Wallet

- Recharge anytime from the app
- Multiple payment options
- Instant top-up
